

Dear Bridger Neighborhood Teachers,

The Bridger PTA is making an effort this year to create a more formalized system for our parent volunteers to get involved. Part of this effort will include the implementation of a "Classroom Rep" for each of our teachers. The vision for this is that the Classroom Rep will be the one parent that you as a teacher would interface with about recruiting volunteers for field trips, reading groups, etc.

The Rep would then be responsible for scheduling volunteers and disseminating information about what is needed. Because the Classroom Rep is someone that you would be working with throughout the year, we want to give you the opportunity to identify a parent whom you communicate well with, and who would be interested in this role. Attached is a signup slip for you to give to that parent that you identify. Please have them fill it out and return it to you at Back to School Picnic, if possible.

You will also find attached some Volunteer Sign-Ups that you can place in your room for all parents to have access to during the Back to School Picnic activities. We will be coming around to each of the classrooms this Friday to pick up all sign-up sheets.

Thank you for your participation in this effort! We are looking forward to fostering a culture of volunteerism here at Bridger School so that all of our great teachers get as much classroom support as they might desire! Best Wishes to you all this school year!

Sincerely,

Jim Bridger PTA Volunteer Coordinator

Questions? Input? Feel free to email bridgerpta@gmail.com or leave a note in the PTA mailbox in the office.

Dear Bridger Neighborhood Teachers,
