

MEETING MINUTES May 12th, 2009

Meeting called to order by Romanna at 6:30pm.

Minutes from March and April meeting reviewed, motion made and seconded to approve minutes, minutes voted approved.

Principal's report:

Tina clarified that there are 13 8th graders who made the Principal's list, not 13 8th graders who are passing all of their classes. There was some confusion over remarks at our last meeting. As of now, Bridger hasn't been hit too hard with budget cuts.

Old Business:

Mrs. Bennet is retiring, Danielle Skee is also retiring, PTA to connect with Ann Fugere and do something for them.

Erica reports that the Student Council marching contingent enjoyed and benefited from participation in the 82nd Ave. Parade.

Art fundraiser was good, we'll try to do it before Christmas next year.

Water Garden work party scheduled for May 23rd, ongoing work on the fence.

Bridger International Cookbook done! They are available after school on Fridays and anytime from Andrea in the library.

Bike event is approaching:

We have good volunteer coverage for Bike Rodeo.

Not many kids signed up yet for Bike Safety Class, recruit?
